

TEACHING

Instructor | Gateway to Global Aging Data Workshop

Summer Institute on Ageing, Venice International University | 2025 and 2026

- Delivered Stata training on accessing, preparing, and analysing harmonized longitudinal data from HRS-family studies.

Teaching Assistant | Introduction to Econometrics

BA in Economics and Business, Ca' Foscari University of Venice | 2025-2026

- Led Stata exercise sessions and office hours; assessed assignments and provided feedback on applied econometrics problems.

ADVANCED COURSES

Inequalities in Health and Healthcare - Tinbergen Institute Summer School, July 2026.

Causal Inference I - Mixtape Sessions, September-October 2025.

Panel Data for Causal Research Designs - SIdE and FBK-IRVAPP, June-July 2025.

PROFESSIONAL EXPERIENCE

Data Analytics Consultant | Internews

Remote | 2023-2025

- Analysed social-media data to identify humanitarian needs and information gaps; designed data-quality assurance and analytical workflows.

Program / MEAL Associate | International Republican Institute

Sudan | 2021-2022

- Coordinated monitoring, evaluation, accountability and learning activities; worked on data quality, reporting, and programme learning; trained staff on data-quality standards.

Program Coordinator | British Council

Sudan | 2018-2021

- Designed and fielded quarterly programme-evaluation surveys and supported programme monitoring, reporting, and operational decision-making.

RESEARCH SKILLS

Econometric methods: Difference-in-differences and event studies; fixed effects; IV/2SLS and LATE; regression discontinuity; matching and propensity scores; synthetic control; high-dimensional methods; wild-cluster bootstrap inference.

Health-economics methods: Measurement and evaluation of health inequality, inequity, and financial protection.

Data: SHARE; harmonized HRS-family studies; longitudinal cross-country panels; national legal and policy sources.

Software: Stata, R, Python. **Workflows:** Git, LaTeX, reproducible project-based code.

Languages: Arabic (native); English (C1); Italian (A1).
